

Interactive eLearning Module Template

Purpose

This is a detailed **Interactive eLearning Module Template** for designing and organizing eLearning modules. It covers all critical elements, from content flow to interactive elements and assessments.

Module Information

- **Module Title:** [Insert Module Title]
- **Course Title:** [Insert Course Title]
- **Instructor/Developer:** [Insert Name]
- **Estimated Duration:** [Insert Time, e.g., 30 minutes]
- **Date Created:** [Insert Date]
- **Version:** [Insert Version Number]

Module Overview

- **Module Description:**
[Provide a brief overview of the module, its purpose, and what learners can expect.]
- **Learning Objectives:**
[List the specific, measurable learning objectives for the module. Example: "By the end of this module, learners will be able to..."]
 1. Objective 1: [Insert Objective]
 2. Objective 2: [Insert Objective]
 3. Objective 3: [Insert Objective]

Module Structure

- **Introduction:**

[Brief introduction to the module, outlining its importance and relevance. Include any prerequisite knowledge or skills.]

- **Welcome Message:** [Insert Script or Text]
- **Overview of Topics:** [List the topics covered in this module]

- **Content Sections:**

- **Section 1:** [Section Title]
 - **Content:** [Briefly describe the content covered]
 - **Interactive Elements:** [Describe the interactivity, e.g., drag-and-drop, clickable hotspots, branching scenarios]
 - **Media:** [List any media used, e.g., videos, images, audio]
 - **Quiz/Assessment:** [If applicable, describe the assessment in this section]
- **Section 2:** [Section Title]
 - **Content:** [Briefly describe the content covered]
 - **Interactive Elements:** [Describe the interactivity, e.g., quizzes, simulations, decision-making scenarios]
 - **Media:** [List any media used, e.g., videos, images, audio]
 - **Quiz/Assessment:** [If applicable, describe the assessment in this section]
- **Section 3:** [Section Title]
 - **Content:** [Briefly describe the content covered]
 - **Interactive Elements:** [Describe the interactivity, e.g., clickable images, scenarios]
 - **Media:** [List any media used, e.g., videos, images, audio]

- **Quiz/Assessment:** [If applicable, describe the assessment in this section]

Interactive Elements

- **Interaction Type:**
[Describe the type of interaction. Example: "Drag-and-Drop Activity"]
- **Objective:**
[State the objective of the interaction. Example: "Reinforce the understanding of key concepts."]
- **Instructions:**
[Provide detailed instructions on how learners should interact with the content.]
- **Feedback:**
[Describe the feedback provided to learners based on their interactions, e.g., correct/incorrect answers.]

Assessment Strategy

- **Assessment Type:**
[Describe the assessment type. Example: "Multiple-choice quiz, Scenario-based assessment."]
- **Number of Questions:**
[Insert Number]
- **Passing Criteria:**
[Insert Passing Criteria, e.g., "80% or higher"]
- **Feedback:**
[Describe the feedback learners will receive after completing the assessment.]

- **Retake Options:**

[State whether learners have the option to retake the assessment and how many attempts are allowed.]

Navigation and User Experience

- **Navigation Structure:**

[Describe how learners will navigate through the module, e.g., linear, branching paths.]

- **Instructions for Navigation:**

[Provide clear instructions on how to navigate the module, e.g., "Use the Next button to proceed..."]

- **Progress Indicators:**

[Describe any progress indicators, e.g., "A progress bar at the top of the screen."]

- **Help/Support Options:**

[Include information on how learners can get help if needed, e.g., "Click the Help icon for assistance."]

Media and Resources

- **Videos:**
[List any videos included in the module, along with their titles and durations.]
- **Images/Graphics:**
[Describe the images or graphics used, and their purpose.]
- **Audio:**
[List any audio files used, including narration scripts if applicable.]
- **Additional Resources:**
[Include links to additional resources, e.g., PDFs, external websites, or further reading materials.]

Accessibility Considerations

- **Alt Text for Images:**
[Ensure all images have descriptive alt text for screen readers.]
- **Captions for Videos:**
[Ensure all videos have captions.]
- **Keyboard Navigation:**
[Ensure the module is fully navigable using a keyboard.]
- **Color Contrast:**
[Check that color contrasts meet accessibility standards.]

Module Review and Testing

- **Peer Review:**
[Detail the peer review process, including who will review the module and what criteria they will use.]
- **Usability Testing:**
[Describe any usability testing conducted, including the target audience and methods used.]
- **Final Review and Sign-Off:**
[State the process for final review and approval before the module goes live.]

Revision History

- **Version:** [Insert Version Number]
- **Last Updated:** [Insert Date]
- **Changes Made:**
[Document any changes made to the module, including reasons for the changes.]
